

The background features a repeating pattern of vertical, hand-painted pink brushstrokes. Each stroke is a soft, rounded oval shape, and they are arranged in a staggered grid. The color of the strokes varies slightly, with some being a deeper pink and others a lighter, more muted shade. The overall effect is a soft, textured, and artistic background.

The background of the entire image is a repeating pattern of light pink, elongated oval shapes, similar to confetti or raindrops, scattered across a white background. The ovals vary in size and orientation, creating a dynamic and playful texture.
